The Time Of Christ's Return Revealed: The Joshua Model Confirms the Time of Christ's return as Given to Daniel by Charles Pierce ISBN 1418486639

The Bible provides us with specific details about the time of Jesus first appearance a Messiah and His return as Lord. Gabriel gives these times to Daniel in a way that make them difficult to get a handle on. The Old testament has many "Types and Shadows" or models for events which occur in the New Testament. The week of creation and The Book of Joshua give us models to apply to the times given in The Book of Daniel that confirm the proper interpretation of Gabriel's message to Daniel. God's prominent importance placed on the number "seven" as a number of perfection and completion is also used to confirm the time given by Gabriel for Christ's return. Part two tells about

the United States' involvement in the 9-11-2001 disaster. Part three is written to expose false beliefs, false teaching, false doctrine and false religions. God's Word will not return void and you will learn the truth before you are deceived.
