Escape Student Loan Debt: How to Minimize Your Repayments by Steven Miller ISBN B00VPNINQY

Learn How Your Student Loan Repayments Can be Minimized;

Lenders and servicers of student loans communicate basic truths in an overly complicated fashion and are not obligated to help you understand the real cost of your borrowings.

Escape Student Loan Debt will empower you to understand their communications and preserve your rights.

You will walk through developing a strategy to optimize the repayment of your loans and learn how to minimize your repayments. An introduction is provided to the variety of federal and private loan programs available to reduce or eliminate your student loan debt. And If you are facing financial hardships the book covers some options for discharging student loans and getting back on track.

This knowledge should give you the ability to deal with your student loans independently instead of having to rely on providers of student loan assistance programs. Oftentimes the fees these programs charge for annual participation amounts to an additional monthly payment. Learn how to avoid these charges and put this money to work paying off your loans.
