The 22 Powers of Leadership: An archetypal journey to awaken the leader within by Sofia Costa Quintas ISBN 1492938122

Providing practical wisdom to listen to the knowledge in your own heart and to lead the way and change the world, The 22 Powers of Leadership introduces the reader to a step-by-step process to become an inspirational leader in our new era. Until now, leadership paradigms generally have been based on attributes often associated with power. As an alternative model, we have highlighted a different set of attributes that shift leadership development from individual-centric to collective-centric fueled by connectedness. From skills to behavior and core competencies, The 22 Powers of Leadership will provide the reader with actionable tools and strategies to become a better leader in business and life by providing self-assessment questionnaires as well as reflection and action worksheets. A companion CD with five guided meditations is sold separately here:
