

On This Day in Memphis History PDF

On This Day in Memphis History by G. Wayne Dowdy ISBN 1626191360

Far more than blues and barbecue, Memphis culture has evolved one day at a time. Author G. Wayne Dowdy pins an exact date to a host of important, quirky and forgotten events in the history of Tennessee's largest city--an entertaining footnote for each day of the year. Earth, Wind and Fire founder Maurice White entered the world in a Memphis hospital on December 19, 1941. On January 15, 1877, a severe thunderstorm mysteriously left the city covered in snakes. On December 31, 1902, a resident was murdered on Main Street after taunting a Native American named Creeping Bear. A day or a month at a time, enjoy a year of entertaining River City blasts from the past.
