Christian Theology and Tragedy (Ashgate Studies in Theology, Imagination and the Arts) by Kevin Taylor, Giles Waller ISBN 0754669408

Drawing together leading scholars from both theological and literary backgrounds, "Christian Theology and Tragedy" explores the rich variety of conversations between theology and tragedy. Three main areas are examined: theological readings of a range of tragic literature, from plays to novels and the Bible itself; how theologians have explored tragedy theologically; and, how theology can interact with various tragic theories. Encompassing a range of perspectives and topics, this book demonstrates how theologians can make productive use of the work of tragedians, tragic theorists and tragic philosophers. Common misconceptions - that tragedy is monolithic, easily

definable, or gives straightforward answers to theodicy - are also addressed. Interdisciplinary in nature, this book will appeal to both the theological and literary fields.
