Wedlocked!

A marriage in crisis...

"I never meant to do it...she was just there when I needed someone..."

Rachel and Daniel had three adorable children and a strong marriage—or so Rachel had always believed.

But her happy life was shattered when she was told that Daniel had been having an affair. Then she realized that they'd been growing apart for years.

Rachel wanted so much to save her marriage—but was it too late? Could she ever forgive Daniel, if he *had* committed the ultimate betrayal?
