Forever Barbie: The Unauthorized Biography of a Real Doll by M. G. Lord ISBN 0802776949

Since Barbie's introduction in 1959, her impact on baby boomers has been revolutionary. Far from being a toy designed by men to enslave women, she was a toy invented by women to teach women what-- for better or worse-- was expected of them. In telling Barbie's fascinating story, cultural critic and investigative journalist M. G. Lord, herself a first-generation Barbie owner, has written a provocative, zany, occasionally shocking book that will change how you look at the doll and the world.
