Mythic Worlds, Modern Words: Joseph Campbell on the Art of James Joyce (The Collected Works of Joseph Campbell) by Joseph Campbell ISBN 1577314069

Mythic Worlds, Modern Words provides a representation of Campbell's published writing, lectures on Joyce, and exchanges with his audiences, from his obituary notice on Joyce in 1941 to lectures delivered a few years before Campbell's death. Joyce scholar Edmund L. Epstein has arranged this material as running commentary on *A Portrait of the Artist As a Young Man*, *Ulysses*, and *Finnegans Wake*. With a new foreword by Phil Cousineau for this Collected Works edition, *Mythic Worlds, Modern Words* is both an introduction to the major work of Joyce and a representative portrait of Joseph Campbell as a critic of Joyce. It is also a major contribution to Joyce criticism,

the fruit of a lifetime's meditation on the great Irish writer's writings.

## **Mythic Worlds, Modern Words: Joseph Campbell on the Art of James Joyce (The Collected Works of Joseph Campbell) Review**
