Awakened by the Sheikh (Desert Kings Book 3) by Diana Fraser ISBN B00PQQN0DW

At 5'2" Cara Devlin is used to being overlooked... until she speaks. It had been her sexy voice that had won her the voice-overs ads and it's her velvet tones that lands her the job as translator to the King of Ma'in—a job with a salary that will ensure she can leave Ma'in and make a fresh start. A new beginning away from the country where her soon-to-be ex-husband betrayed her, and her family, for his own gain. Just one more week in Ma'in and then she'll be free to begin a new life.

Since his unfaithful wife died, King Tariq of Ma'in is devoted to three things: his children, his country and remaining single. When his brother hires him a translator he doesn't need, Tariq isn't impressed. But, when he hears Cara's seductive voice, he decides she can stay, providing she doesn't distract him from the most important meetings of his life where he intends to regain control

of his country's wealth. But each day he discovers something new about Cara: qualities that break through the protective shell he'd built around himself, and language skills he can use to his own—and his country's—benefit. So long as Cara doesn't know she's being used, he should succeed.
