Foreword by Steve Brown

Let's Talk (to God) About Sex.

Are you stuck in a never-ending cycle of defeat that fills you with shame, prevents you from leading your family well, getting involved in the church, and spending your time and money on the things that really matter? You have everything to gain and nothing to lose by ending this cycle.

You are not powerless in the fight against pornography and lust. *Hide or Seek* won't ask you to jump through a series of hoops; it will simply suggest one clear step forward. One step to reorient

your heart toward God's love for you. One step to take the energy out of the vicious cycle that keeps you from being the man God has called you to be, the man you want to be.

Discover how the gospel speaks in practical terms to the most private areas of your life and how God offers the freedom you desire. *Hide or Seek* is easy-to-read, full of real-life stories, and points you to the hope for change that many men have given up on finding.

Don't settle for the cycle.

Designed for men who feel trapped by their sexual struggles but don't yet perceive the need for transparency or accountability.

Easy-to-read, full of real-life stories of ordinary men changed by the power of the gospel.

Encourages honesty with its direct, conversational style.

Connects the dots between men's sexual struggles and issues in family life, church life, and the broader culture.
