Memorable Quotations from Thomas Edison and Henry Ford by Jim Dell ISBN B00QFKWRQO

“Yes, there is a big future for any light-weight engine that can develop a high horsepower and be self-contained. Keep on with your engine. If you can get what you are after, I can see a great future.” These initial words of reassurance came from Thomas Edison, who was to become one of Henry Ford's cherished friends. At their first encounter at a convention in 1896, Ford was still an unknown. But the enthusiasm of the celebrated and broadly respected Edison assuredly powered Ford's ambition. The friendship between Henry Ford and Thomas Edison, which spanned more than 30 years, is legendary. They encouraged and inspired one another, often helping each other's work. These two extraordinary men had a warm, loyal and devoted friendship that lasted during their astonishing lives.
