

## The Limits of Critique PDF

The Limits of Critique by Rita Felski ISBN 022629403X

Why must critics unmask and demystify literary works? Why do they believe that language is always withholding some truth, that the critic's task is to reveal the unsaid or repressed? In this book, Rita Felski examines critique, the dominant form of interpretation in literary studies, and situates it as but one method among many, a method with strong allure—but also definite limits.

Felski argues that critique is a sensibility best captured by Paul Ricoeur's phrase "the hermeneutics of suspicion." She shows how this suspicion toward texts forecloses many potential readings while providing no guarantee of rigorous or radical thought. Instead, she suggests, literary scholars should try what she calls "postcritical reading": rather than looking behind a text for hidden causes and motives, literary scholars should place themselves in front of it and reflect on what it suggests and makes possible.

By bringing critique down to earth and exploring new modes of interpretation, *The Limits of Critique* offers a fresh approach to the relationship between artistic works and the social world.

## **The Limits of Critique Review**

This The Limits of Critique book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
