An easy and compendious system of shorthand; adapted to the arts and sciences, and to the learned professions. For the use of schools by Thomas Gurney ISBN B00UO2MGO2

"IT has frequently been represented by the Directors of some of our Seminaries of Learning, by Booksellers, and others, that the Knowledge and Practice of Gurney's Method of Short-Hand writing, of which an American Edition has lately been laid before the Public, would be more generally diffused by an Abridgment of that Treatise; so that the Art may appear to be comprised in fewer pages, and consequently be attained with less Labor to the Student, and the Purchase be so

inconsiderable, as to be no obstacle to the Sale."

This is an edition of a classical book first published in the eighteenth century.
