The Lineage (Autobiography of a Werewolf Hunter Book 3) by Brian P. Easton ISBN B00VQWMC1G

Sylvester Logan James' feud with the Beast has wracked his body and bedeviled his soul, but after twenty-five years it has failed to satisfy his need for vengeance.

When a werewolf delivers a pair of severed heads, Sylvester Logan James finds himself embroiled in an ancient grudge between the First Beast Prince and the seven Wolves who tried to overthrow him.

Baited by a trail of dead werewolves and tracking a particularly cunning Wolf with its own agenda, Sylvester journeys across the world—from Belize to Botswana, Morocco to Malta, and Cyprus into

the Himalaya on the most important hunt of his life, one that will lead him into the very lair of the Beast and to the werewolf who was once his mother.

Here is one last, unflinching entry in the Autobiography of a Werewolf Hunter—a final measure of redemptive violence where every victory is dearly purchased and honor is poisoned by shame. Don't look away.
