Nora Roberts Collection: True Betrayals, Montana Sky, Sanctuary by Nora Roberts ISBN 1587887207

People magazine declared that Nora Roberts "is at the top of her game," and there's no greater evidence of that than these three novels. From the horse farms of Virginia to the rugged beauty of Montana, to an island off the coast of Georgia, these novels showcase Nora Roberts' talents for intense drama, vivid characters, and fast-paced suspense. True Betrayals, narrated by Rose Anne Shansky. Kelsey Byden grew up believing her mother had died when she was three. Now at twenty-six and freshly divorced, she receives a letter from her mother explaining that she is alive and living on a Virginia horse farm. She goes to meet her mother, and falls in love with the horses and with the man next door, handsome gambler Gabe Slater. When murdered men and injured horses turn up, Kelsey finds evil lurking where she least expects it, and risks all to restore her mother's honor. Montana Sky, narrated by Erika Leigh. When Jack Mercy died, he left behind a lot

of enemies . . . and a ranch worth nearly twenty million dollars. Now his three daughters - each born of a different marriage, and each unknown to the others - are gathered to hear the reading of the will. But the women are shocked to learn that before any of them can inherit, they must live together on the ranch for one year. Now they face a challenge: to put their bitterness aside and live like family. To protect each other from danger - and unite against an enemy who threatens to destroy all. Sanctuary, narrated by Sandra Burr. Successful photographer Jo Ellen Hathaway is being stalked. Someone is sending her pictures - strange close-ups, candid shots, and finally, the most shocking and heartbreaking portrait of all: a photograph of her long-lost mother. . . naked, beautiful, and dead. Jo realizes that it's time to return to Sanctuary, her childhood home. But it seems that her stalker can even breach the safety of this tiny island, where everybody knows everybody - or thinks they do. And Sanctuary may be the most dangerous place of all.
