Textbook of Natural Medicine, 4e by Joseph E. Pizzorno, Michael T. Murray ISBN 1437723330

Covering preventive, non-invasive, and natural treatments, **Textbook of Natural Medicine, 4th Edition** offers more than just alternative medicine. It promotes an integrated practice that can utilize natural medicine, traditional Western medicine, or a combination of both in a comprehensive, scientific treatment plan. Based on a combination of philosophy and clinical studies, **Textbook of Natural Medicine** helps you provide health care that identifies and controls the underlying causes of disease, is supportive of the body's own healing processes, and is considerate of each patient's unique biochemistry. Internationally known authors Joseph Pizzorno and Michael Murray include detailed pharmacologic information on herbs and supplements, plus evidence-based coverage of diseases and conditions to help you make accurate diagnoses and provide effective therapy.

- **Comprehensive, unique coverage** makes this book the gold standard in natural medicine.
- **A scientific presentation** includes the science behind concepts and treatments, and discusses Western medical treatments and how they can work with natural medicine in a comprehensive treatment plan; if natural medicine is not effective, this book recommends the Western treatment.
