Yoda: The Story of a Cat and His Kittens by Beth Stern ISBN 1481444077

From the author of the *New York Times* bestselling *Oh My Dog* comes the true story of Yoda, a very special cat—and adorable Instagram sensation—rescued by Beth and Howard Stern.

When Beth first met Yoda at the animal shelter, he was skinny and his fur was matted. He hid in the back of his cage and wanted nothing to do with anyone. But Beth chose Yoda. She took him home, cleaned him up, and gave him love.

Beth fosters kittens, too, and before long Yoda discovered them—and his life purpose. Now he's happy, and fluffy, and very, very busy. He makes sure the orphan kittens eat, he keeps them safe, and he even cleans up after them. Yoda acts like a father *and* mother to the foster kittens that fill his home, and taking care of others has helped him too: even though Yoda has a serious heart condition, he's made a miraculous turnaround, and is healthier than doctors thought he could be.

To further the important work that Beth does on behalf of animals, all of her proceeds from this book will be donated to North Shore Animal League America's Bianca's Furry Friends campaign.
