Rescued by my Alpha Bear

Abigail has had enough! Losing all patience with her abusive family, this teenage dreamer decides to run away into the forest late one night, since she figures any place is better than home. But can she survive in the wild?

Along the way she meets wild two animals and then a sexy explorer named Malleus who seems to be hiding his own share of dark secrets. Malleus is a little bit too smart about the wild life, not to mention hard-edged when it comes to manners. He hasn't lived among civilization for quite a while and seems to have more in common with the wildlife than with people.

Abigail suspects something's up—especially since Malleus seems to become a different sort of man whenever the full moon rises. Can they find solace in each other or will their troubled pasts keep them apart?

Taming my Alpha Dragon

After her family is killed by a demon Alissa is forced to live with her Aunt but on her 13th birthday she is given her mother's journal and learns what it really is to be a demon hunter. She spends most of her time hunting the demon who killed her family and when she finally has a strong lead on where the demon is located she enlists the help of an Alpha Dragon Shape shifter named Niq. She and Niq have a history and it is not the kind that would make them friends but she knows that she needs help from a creature with his power. Alissa will have to use all of her seductive powers to ensure her own safety while she is with Niq but has no idea that Niq will be the one who teaches her a lesson.
