Lost In LA by Katie Calhoun ISBN 0983393559

JC just wants to go home. Ever since her mom moved them to sunny California, her life has totally sucked. Not only does everyone call her "Cowgirl" at her Los Angeles high school, but JC just can't seem to pay attention in class. The assistant principal seems to have it in for her and the mean girls are unbearable. While JC struggles with being different, a diagnosis of Attention Deficit Disorder (ADD) rocks her world. The kindness of geeky Arnaldo and Lilith the goth offer JC some sanity, as does the attention of Jason, the adorable jock. None of that seems to resolve the real problem.
