Fit, Fifty and Fired Up by Nigel Marsh ISBN B008N4HYH2

From the internationally bestselling author of *Fat, Forty and Fired* this funny, thought-provoking memoir will make you laugh - and want to make the most of your life.

Are you slogging your guts out at a job you don't particularly like to buy things you don't particularly need? Would you like to spend more time with your family and less time at work? Do you ever wonder what it'd be like to really love what you do?

Ten years on from *Fat, Forty and Fired*, Nigel Marsh steps off the hamster wheel (again) to grapple with these and other less weighty questions, like: Where the hell has my wife left the cordless phone? and How do I dress my daughter as a bride for school in ten minutes?

Written with Nigel's customary humour and honesty, *Fit, Fifty and Fired Up* is a must-read for

anyone who's ever dreamt of taking a risk to live a life they feel passionate about...
