In the Heart of the Sea (Young Readers Edition) by Nathaniel Philbrick ISBN 1101997761

The *New York Times* bestselling and National Book Award winning *In the Heart of the Sea*, soon to be a major motion picture directed by Ron Howard, adapted by the author for young readers.

On November 20, 1820, the whaleship *Essex* was rammed and sunk by an angry whale. Within minutes, the twenty-one-man crew, including the fourteen-year-old cabin boy Thomas Nickerson, found themselves stranded in three leaky boats in the middle of the Pacific Ocean with barely any supplies and little hope. Three months later, two of the boats were rescued 4,500 miles away, off the coast of South America. Of the twenty-one castaways, only eight survived, including young Thomas. Based on his *New York Times* best-seller *In the Heart of the Sea*, Nathaniel Philbrick

recreates the amazing events of the ill-fated *Essex* through the sailors own first-hand accounts, photos, maps, and artwork, and tells the tale of one of the great true-life adventure stories.

"Horribly engrossing." —*Kirkus Reviews*

"A compelling saga of desperation and survival." —*School Library Journal*
