The Mestizo Mind: The Intellectual Dynamics of Colonization and Globalization by Serge Gruzinski
ISBN 0415928788

Mestizo: a person of mixed blood; specifically, a person of mixed European and American Indian ancestry.

Serge Gruzinski, the renowned historian of Latin America, offers a brilliant, original critique of colonization and globalization in *The Mestizo Mind*. Looking at the fifteenth-century colonization of Latin America, Gruzinski documents the *mélange* that resulted: colonized mating with colonizers; Indians joining the Catholic Church and colonial government; and Amerindian visualizations of Jesus and Perseus. These physical and cultural encounters created a new culture, a new individual, and a phenomenon we now call globalization. Revealing globalization's early origins,

Gruzinski then fast forwards to the contemporary mélange seen in the films of Peter Greenaway and Wong Kar-Wai to argue that over 500 years of intermingling has produced the mestizo mind, a state of mixed thinking that we all possess.

A masterful alchemy of history, anthropology, philosophy and visual analysis, *The Mestizo Mind* definitively conceptualizes the clash of civilizations in the style of Homi Bhabha, Gayatri Spivak and Anne McClintock.

The Mestizo Mind: The Intellectual Dynamics of Colonization and Globalization Review

This The Mestizo Mind: The Intellectual Dynamics of Colonization and Globalization book is not really ordinary book, you have it then the world is in your hands.
