Full Dark, No Stars by Stephen King ISBN B003YUC3YE

The acclaimed #1 *New York Times* and undisputed King of Horror Stephen King delivers five unforgettable short works, two of which will soon be adapted for film, and which *Booklist* called “raw looks at the limits of greed, revenge, and self-deception.” Like *Different Seasons* and *Four Past Midnight*, which generated such enduring hit films as *The Shawshank Redemption* and *Stand by Me*, *Full Dark, No Stars* proves Stephen King a master of the long story form.

“I believe there is another man inside every man, a stranger...” writes Wilfred Leland James in the early pages of the riveting confession that makes up “1922,” the first in this pitch-black quartet of mesmerizing tales from Stephen King. For James, that stranger is awakened when his wife Arlette proposes selling off the family homestead and moving to Omaha, setting in motion a gruesome train of murder and madness.

In “Big Driver,” soon to be a major Lifetime movie starring Maria Bello, a cozy-mystery writer named Tess encounters the stranger is along a back road in Massachusetts when she takes a shortcut home after a book club engagement. Violated and left for dead, Tess plots a revenge that will bring her face to face with another stranger: the one inside herself.

“Fair Extension,” the shortest of these tales, is perhaps the nastiest and certainly the funniest. Making a deal with the devil not only saves Harry Streeter from a fatal cancer but provides rich recompense for a lifetime of resentment.

In the last of the tales, soon to be a major motion picture, Darcy Anderson’s husband of more than twenty years is away on one of his business trips and his unsuspecting wife looks for batteries in the garage. Her toe knocks up against a box under a worktable and she discovers the stranger inside her husband. It’s a horrifying discovery, rendered with bristling intensity, and it definitively ends “A Good Marriage.”

Full Dark, No Stars Review

This Full Dark, No Stars book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Full Dark, No Stars without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Full Dark, No Stars can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Full Dark, No Stars having great arrangement in word and layout, so you will not really feel uninterested in reading.
