It's Your Movie! - Tune Into Your Channel And Create The Life of Your Dreams by Patricia McHugh ISBN 1460250699

It's Your Movie! contains the true story of how the author, a businesswoman, went in a new direction as she embarked upon a spiritual journey. After successfully opening a channel with a high-level guide, she heard the words that would change her life: "Call me Anthony." But this book-written through the encouragement of Anthony-is so much more than a memoir; it candidly explores why the author became interested in channeling, how she learned the methods, who Anthony is, and how opening her channel changed her life. "Tell them the story," Anthony said. "Show them that it doesn't have to be perfect, and that you don't have to be a psychic medium or a professional channeller to connect with guidance levels. Let them see the messiness and hear the individual and personal way in which we communicate with you so they will be open to trying it

themselves while being excited by their own unique results."
