What if you learned it was actually crucially important to learn from our mistakes? What if you discovered that the most successful people and organizations in the world did just that, and it is often one of the secrets to their success? What if someone gave you a simple tool – a six-step checklist captured in the acronym M.A.S.T.E.R. - which you could use to quickly draw the right lessons from both little miscues and massive failures? Finally, what if you were taught 12 key habits that your

team or organization could implement to harness the power of failure? Whether you're an entrepreneur, an employee or an executive, this book is for you.
