Finding Us (True Love Trilogy Book 2) by Harper Bentley ISBN B00IMOTTTY

Jag Jensen and Ellen Love had been best friends their whole lives until he turned thirteen and started noticing girls his own age, but that didn't mean he stopped watching out for eleven-year-old Ellen. By his senior year in high school, baseball had taken the front seat in his life, with a scholarship to college and a pro career looming on the horizon, when sophomore Ellen caught his attention and they struck up their friendship again. Although Ellen wanted more, Jag didn't want to drag her into what he knew would be a crazy life, but love has a way of deciding one's future, and eventually they became a couple. Ellen followed him to California as he began his pro career, but his wild and hectic lifestyle screwed everything up.

Now Jag is lost, realizing he's never been without his best friend in his life. Learning to live without

Ellen doesn't settle well with him, so while trying to remain at the top of his career, he also wants to get his girl back, which proves to be more difficult than he thought it'd be. Will Ellen give him another chance or does that sort of thing only happen in the sappy romance novels she always used to read? Jag hopes she's willing to try again as he puts his heart on the line for the woman he knows will always be his forever and a day.

This is the second book of the True Love Trilogy.

Due to language and sexual content, this book is not recommended for readers under age 18
