Lukus Mitchell is the owner of The Punishment Pit, Chicago's top BDSM club. As the Master's Master, he has enjoyed his freedom to play with a stable of subs over the years. He's never contemplated settling down before, but is growing increasingly bored of the meek, pliant submissives who fail to challenge him.

Then he meets Tiffany O'Sullivan, a beautiful BDSM novice who has always yearned to explore her edgy dreams of submission, but whose sassy mouth always seems to land her in trouble.

Their attraction to each other is intense and immediate, but Tiffany challenges her new Dom like never before. They may start out at opposite ends of a BDSM tug-o-war, but can they meet somewhere in the middle—and if they do, can they both find happiness with the compromise?

Meanwhile, their best friends, Brianna and Markus Lambert, are still reconnecting after a recent event which almost ended their marriage. As awful as it was, it made them both realize not only how much they love each other, but also how important it is to share your darkest desires with your spouse.

Markus is more than willing to accommodate Brianna's desire to be dominated in the bedroom, yet the couple has more than a few growing pains to work through as the dynamics of their marriage change from vanilla to D/s, with a sprinkle of DD.

Not content with almost having wrecked the Lamberts' marriage and threatened Tiffany, Jake Davenport remains a threat in the two couples' lives and relationships, and Lukus soon discovers that Brianna and Tiffany aren't the only women Jake is targeting.

Can Tiffany find the strength to overcome her fears in order to let Lukus love her not only as a woman, but as his submissive?

Can Lukus deal with the way his new love challenges him at every turn, forcing him to confront fears he never even knew he had?

Can Markus and Lukus protect the women they love when Jake gets too close for comfort?
