

The Power of Market Fundamentalism: Karl Polanyi's Critique PDF

The Power of Market Fundamentalism: Karl Polanyi's Critique by Fred Block, Margaret R. Somers
ISBN 0674050711

What is it about free-market ideas that give them tenacious staying power in the face of such manifest failures as persistent unemployment, widening inequality, and the severe financial crises that have stressed Western economies over the past forty years? Fred Block and Margaret Somers extend the work of the great political economist Karl Polanyi to explain why these ideas have revived from disrepute in the wake of the Great Depression and World War II, to become the dominant economic ideology of our time.

Polanyi contends that the free market championed by market liberals never actually existed. While

markets are essential to enable individual choice, they cannot be self-regulating because they require ongoing state action. Furthermore, they cannot by themselves provide such necessities of social existence as education, health care, social and personal security, and the right to earn a livelihood. When these public goods are subjected to market principles, social life is threatened and major crises ensue.

Despite these theoretical flaws, market principles are powerfully seductive because they promise to diminish the role of politics in civic and social life. Because politics entails coercion and unsatisfying compromises among groups with deep conflicts, the wish to narrow its scope is understandable. But like Marx's theory that communism will lead to a "withering away of the State," the ideology that free markets can replace government is just as utopian and dangerous.

The Power of Market Fundamentalism: Karl Polanyi's Critique Review

This The Power of Market Fundamentalism: Karl Polanyi's Critique book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The Power of Market Fundamentalism: Karl Polanyi's Critique without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry The Power of Market Fundamentalism: Karl Polanyi's Critique can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This The Power of Market Fundamentalism: Karl Polanyi's Critique having great arrangement in word and layout, so you will not really feel uninterested in reading.
