The Outermost House: A Year of Life On The Great Beach of Cape Cod by Henry Beston ISBN 080507368X

The seventy-fifth anniversary edition of the classic book about Cape Cod, "written with simplicity, sympathy, and beauty" (*New York Herald Tribune*)

A chronicle of a solitary year spent on a Cape Cod beach, *The Outermost House* has long been recognized as a classic of American nature writing. Henry Beston had originally planned to spend just two weeks in his seaside home, but was so possessed by the mysterious beauty of his surroundings that he found he "could not go."

Instead, he sat down to try and capture in words the wonders of the magical landscape he found

himself in thrall to: the migrations of seabirds, the rhythms of the tide, the windblown dunes, and the scatter of stars in the changing summer sky. Beston argued that, "The world today is sick to its thin blood for the lack of elemental things, for fire before the hands, for water, for air, for the dear earth itself underfoot." Seventy-five years after they were first published, Beston's words are more true than ever.

The Outermost House: A Year of Life On The Great Beach of Cape Cod Review

This The Outermost House: A Year of Life On The Great Beach of Cape Cod book is not really ordinary book, you have it then the world is in your hands.
