And along the way he's found time to make his mark as a movie star as well...Since he first fought as an amateur way back in 1978, Hulk Hogan has won seven World Titles, and in those early years of the 1980s he did more than any other single wrestler to bring the WWE to the massive international audience it enjoys today. In his time he has been both hero and villain, and in the 1990s he took the decision to turn his talents to Hollywood. For the next five years he devoted himself to roles both in film and on TV and subsequently became the star of his own animated series. In 1994 he returned to the ring,

becoming WCW World Heavyweight Champion, before retiring for a second time at the end of 1999.
