Borderless Wars: Civil Military Disorder and Legal Uncertainty by Antonia Chayes ISBN 1107521505

In 2011, Nasser Al-Awlaki, a terrorist on the U.S. "kill list" in Yemen, was targeted by the CIA. A week later, a military strike killed his son. The following year, the U.S. Ambassador to Pakistan resigned, undermined by CIA-conducted drone strikes of which he had no knowledge or control. The demands of the new, borderless "gray area" conflict have cast civilians and military into unaccustomed roles with inadequate legal underpinning. As the Department of Homeland Security defends against cyber threats and civilian contractors work in paramilitary roles abroad, the legal boundaries of war demand to be outlined. In this book, former Under Secretary of the Air Force Antonia Chayes examines these new "gray areas" in counterinsurgency, counter-terrorism, and cyber warfare. Her innovative solutions for role definition and transparency will establish new

guidelines in a rapidly evolving military-legal environment.

## **Borderless Wars: Civil Military Disorder and Legal Uncertainty Review**
