When you can't sleep.

there's always NIGHTS.

Dana Fear isn't thrilled about spending her senior year at Shadyside High. The Fear family history goes way back in this town, and she's not so into lugging around the baggage.

But then she gets in with the Night People. Shadyside's pretty cool when it's 3 A.M. and you're chilling at a bar called Nights with your new best friends.

Until the evil returns, and the Night People start mysteriously disappearing one by one. Dana swears she has nothing to do with it. But all fingers point in one direction. Because there is, after all, a new Fear in town....

Things go bump in the Night...
