Extremities by Kathe Koja ISBN 1568581505

In the hypnotic, psychological landscape of *Extremities*, people pushed to the limits of endurance enter extreme states of mind and being. These stories shine an eerie light on the netherworld of artistic exploration and insanity; they probe obsession and vengeance and wander along the intersecting paths of the living and the dead. Frequently Koja's characters are betrayed by imagination - artists enslaved by their muses, women dominated by fantasy lovers, ordinary men bewitched by inner voices or inexplicably endowed with powers they cannot control. Koja's language is gorgeously descriptive: every sense is exquisitely evoked. These stories shiver with her simmering intensity.
