Philip and Katie's Bundle Package

Meet Philip Tanner and Katie Riley - two quirky and fun lawyers who have a thing for each other. Standing in their way are their best friends, Ryan and Samantha, and their code of ethics for workplace romance. Will they toss the rules aside or play it safe?

Room 306: Philip Tanner has one rule: Don't mix work with pleasure.

His strict no dating at the workplace policy has always served him well, that is, until recently when a sultry brunette started haunting his every fantasy in the form of family attorney: Katie Riley.

Katie Riley has a secret crush.

Her best friend Samantha knows she's infatuated with a certain prosecutor, but she's held back her passion out of respect for her friend's new relationship. However, she can't help craving the one thing she told herself not to want: Philip Tanner.

She's tired of ignoring her carnal desires and she's about to present him with a case he won't be able to refute.

Room 69: Philip Tanner broke his only rule and mixed business with pleasure, in the delectable form of Katie Riley, and now has a choice to make. Should he date and woo her, or try to flush her from his system for good?

Katie Riley isn't sure she wants more than a one night stand with the sexy prosecuting District Attorney, Philip Tanner. She's afraid he may be the one man with the power to break her heart. Will she put her case on the line in order to stake her claim?

Room 72: Philip Tanner isn't going to let anything stand in the way of claiming his woman. Not even his best friend Ryan Fellows. The crazy chemistry between him and Katie needs quenching, and he knows just how to do it. A little thing called a 72...

Katie Riley's waited for this night for what feels like forever. It's been one thing after another when it comes to her and Philip finally sating their desire for each other. Tonight's the night, and she's pulling out all the stops. Dinner? Check. Sexy lingerie? Check. Clean sheets? Check.

Now she just needs Philip.
