Simple. The consummate good girl, this is the word I used to describe my life... until my stepbrother Seth came to live with us. Until that point, I'd been a very good girl... but my older, emotionally blocked stepbrother made me want to do very bad things.

With him.

In the course of one night everything changed, and my simple world was torn to shreds. I wanted

to hate him. I did hate him. Mostly.

But now he's back. And nothing will ever be simple again.
