The Seven Deadly Sins: A Visitor's Guide by Lawrence S. Cunningham ISBN 1594713405

Lawrence Cunningham guides readers on a tour of and personal inquiry into the seven deadly sins--their roots in the mystic experiences of the desert fathers, their modern manifestations, and how to supplant these invasive, destructive habits with virtue.

Sloth, envy, gluttony, greed, anger, lust, and pride: when and how were they first identified? Who grouped them together? Can we truly resist their pull? Renowned theologian Lawrence Cunningham explores these questions and others in his newest book. He traces the roots of the seven deadly sins to the mystic experiences of the desert fathers, who--in total solitude--experienced and identified these corrupt inner desires as forces that twist us away from God. He offers examples and insights from scripture, Christian tradition, and modern life, helping readers meet each of the seven deadly sins with a corresponding virtue.
