The Drug Wars in America, 1940-1973 by Kathleen J. Frydl ISBN 110769700X

The Drug Wars in America, 1940-1973 argues that the U.S. government has clung to its militant drug war, despite its obvious failures, because effective control of illicit traffic and consumption were never the critical factors motivating its adoption in the first place. Instead, Kathleen J. Frydl shows that the shift from regulating illicit drugs through taxes and tariffs to criminalizing the drug trade developed from, and was marked by, other dilemmas of governance in an age of vastly expanding state power. Most believe the "drug war" was inaugurated by President Richard Nixon's declaration of a war on drugs in 1971, but in fact his announcement heralded changes that had taken place in the two decades prior. Frydl examines this critical interval of time between regulation and prohibition, demonstrating that the war on drugs advanced certain state agendas, such as policing inner cities or exercising power abroad. Although this refashioned approach mechanically solved some vexing problems of state power, it endowed the country with a cumbersome and costly "war" that drains resources and degrades important aspects of the American legal and

political tradition.

The Drug Wars in America, 1940-1973 Review

This The Drug Wars in America, 1940-1973 book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The Drug Wars in America, 1940-1973 without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry The Drug Wars in America, 1940-1973 can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This The Drug Wars in America, 1940-1973 having great arrangement in word and layout, so you will not really feel uninterested in reading.
