The Beinecke Library of Yale University by ISBN 0845731505

The Beinecke Rare Book and Manuscript Library celebrates its fortieth anniversary with this book that is itself a celebration of a great architectural monument of modernism photographed by Richard Cheek. This striking building contains a stunning collection of collections, and this celebratory volume also contains a portfolio of photographs taken at the time of the dedication forty years ago by Ezra Stoller and a handful of historic photographs from collections here. The text has a number of essays that together capture the many resources that constitute this library distinguished throughout the world for its collections and for its support of research and publications and teaching.
