Blues For Bill (Akron Series in Poetry) by Kurt Brown ISBN 1931968233

Blues for Bill was born out of the desire to perpetuate the memory of our dear friend and teacher, Bill Matthews. Bill's work will last without our help, of course, but what of our memories of Bill himself? This collection of poems ensures that the world will remember his graciousness, intelligence, knowledge, style, good humor, capacity for friendship, immense talent and wit. It's Bill himself this anthology memorializes, the character and soul of this most unique man. The poems included were written by people who knew Bill in a variety of ways, under myriad circumstances: as friend, both old and new; as mentor and teacher; as colleague; as father. The book's introduction was penned by Bill's long-time friend, Russell Banks. Many of the contributors' names will be familiar, such as Sharon Olds, Stanley Plumly, Dave Smith, Henry Taylor, David Wojahn, Susan Wood, and Baron Wormser; others are perhaps not as well known, but their poems are remarkable, true testaments to Bill.
