Why Communism Did Not Collapse: Understanding Authoritarian Regime Resilience in Asia and Europe by ISBN 1107651131

This volume brings together a distinguished group of scholars working to address the puzzling durability of communist autocracies in Eastern Europe and Asia, which are the longest-lasting type of nondemocratic regime to emerge after World War I. The volume conceptualizes the communist universe as consisting of the ten regimes in Eastern Europe and Mongolia that eventually collapsed in 1989-91, and the five regimes that survived the fall of the Berlin Wall: China, Vietnam, Laos, North Korea, and Cuba. Taken together, the essays offer a theoretical argument that emphasizes the importance of institutional adaptations as a foundation of communist resilience. In

particular, the contributors focus on four adaptations: of the economy, of ideology, of the mechanisms for inclusion of potential rivals, and of the institutions of vertical and horizontal accountability. The volume argues that when regimes are no longer able to implement adaptive change, contingent leadership choices and contagion dynamics make collapse more likely. By conducting systematic paired comparisons of the European and Asian cases and by developing arguments that encompass both collapse and resilience, the volume offers a new methodological approach for studying communist autocracies.

Why Communism Did Not Collapse: Understanding Authoritarian Regime Resilience in Asia and Europe Review

This Why Communism Did Not Collapse: Understanding Authoritarian Regime Resilience in Asia and Europe book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Why Communism Did Not Collapse: Understanding Authoritarian Regime Resilience in Asia and Europe without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Why Communism Did Not Collapse: Understanding Authoritarian Regime Resilience in Asia and Europe can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Why Communism Did Not Collapse: Understanding Authoritarian Regime Resilience in Asia and Europe having great arrangement in word and layout, so you will not really feel uninterested in reading.
