The Style of Coworking: Contemporary Shared Workspaces by Alice Davies, Kathryn Tollervey
ISBN 3791348574

This exploration of the innovative interior design of coworking spaces offers a unique look at a workplace revolution that's sweeping the globe. Coworking is redefining the way we work. Around the world, people are collaborating to create a new kind of economy that supports community and innovation while preserving valuable resources. This illustrated survey of spaces dedicated to coworking features 30 of the most impressive office spaces around the world. Google Campus in London, The HUB's global network of sites, and more off-the-radar examples such as Makeshift Society in San Francisco are just a few of the spaces profiled. Each is illustrated via a range of wide-angle and close-up photographs, offering readers page after page of inspiring ideas--from a repurposed shipping container to a beautiful cushion made from a vintage silk scarf. Whether

you're daydreaming from a 14th-floor cubicle or looking for ideas on how to launch your own start-up, this unique book will stir your imagination as it offers endless possibilities for coworking.
