The Will To Live Greater by Phyllis Jackson-Hamilton ISBN 1505851335

This anointed book is inspired by the Holy Spirit. Here you will learn that the truth in Word of God holds you tightly in the love of God and that keeps us tightly in righteousness. You will learn that if you ignore the counsel of God, you will create problems for yourself that will destroy your character, credibility and true purpose. You will learn how to listen to God's Word as much more than "advice." It keeps us from greater pain in the future, even if it is painful for the present moment. I share lessons of how the adversary will attack you to lead you into disobedience with the lusts of the flesh, the lust of the eyes and the boastful pride of life. This will conform you to the wicked way that slowly kills the inward man and causes us to draw away from the way of God. "For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world." I John 2:16 You will come to see that the struggle with your warring members is real. You will learn to ponder over scriptures until you come to a place to say to yourself, "There are two problems [1] the way the truth and life or [2] the way I understand truth

without God's way." You will learn how to trust and never doubt the Word of God. I will show you how to lean not to your understanding, but in all your ways acknowledge God's Word and the Holy Spirit will direct your path. This path is the peace that passes all our understanding. "In all thy ways acknowledge him, and he shall direct thy paths." Proverbs 3:6 I am sharing my vision and my testimony in this book "The Will To Live Greater" so that everyone will know "HE IS ALIVE." Further, HE is calling us to a Higher Calling so that we may all live in Perfect Peace with one another. We will come through every trial with a greater measure of faith in God's Word. Therefore continue to go through the process of sanctification and the baptism of the Holy Spirit. You will learn in this book the Lord God of Israel delights in those who seek after the way, the truth and the life. He is looking for the Word in the Flesh and The Will To Live Greater sets you on the path! "Therefore, let us not be weary in the well doing, for in due season we will reap, if you faint not." Galatians 6:9 The Will To Live Greater speaks to heart, soul, body....."Without Faith it is impossible to please God."
