

We Hu-Mans: Living in Our Full Potential PDF

We Hu-Mans: Living in Our Full Potential by Barbara D. Kennedy ISBN 098249260X
2015 Edition available February 2015! We Hu-Mans is a definitive guidebook “bible” for sincere seekers of Natural, Holistic Health and Healing wisdom that for the first time unites timeless wisdom of Physical, Emotional, Causal, Mental and Soul knowledge and experience to allow the reader to understand how these facets within the Self work in concert. With this empowerment, we can harness, train and organize these inner potentials to create a much more vibrant life template on which to build greater levels of health, creativity, prosperity, balance and well being in our own unique lives. Friendly, conversational yet professional, the author weaves throughout her personal experiences of the journey into the deep recesses of her Self to confirm essential “truths of life” that she had been yearning for since childhood. Each of the Five Bodies of Self sections is richly infused with knowledge, wisdom, “How To’s,” professional References and Resources to allow seekers to create their own sacred and magnificent journey!
