The Opening Kickoff: The Tumultuous Birth of a Football Nation by Dave Revsine ISBN 0762791772

A *New York Times* Bestseller and *Boston Globe* Bestseller!

It's America's most popular sport, played by thousands, watched by millions, and generating billions in revenues every year. It's also America's most controversial sport, haunted by the specter of life-threatening injuries and plagued by scandal, even among its most venerable personalities and institutions. At the college level, we often tie football's tales of corruption and greed to its current popularity and revenue potential, and we have vague notions of a halcyon time—before the new College Football Playoff, power conferences, and huge TV contracts. Perhaps we conjure images of young Ivy Leaguers playing a gentleman's game, exemplifying the *collegial* in collegiate.

What we don't imagine is a game described in 1905 as "a social obsession—this boy-killing, man-mutilating, education-prostituting, gladiatorial sport."

In *The Opening Kickoff*, Dave Revsine tells the riveting story of the formative period of American football between 1890 and 1915. In just a quarter century football spread across the nation, captivating people from coast to coast. It was a time that saw the game's meteoric rise, fueled by overflow crowds, breathless newspaper coverage, and newfound superstars—including one of the most thrilling and mysterious the sport has ever seen. But it was also a period racked by controversy in academics, recruiting, and physical brutality that, in combination, threatened football's very existence. A vivid storyteller, Revsine brings it all to life in this captivating narrative.

The Opening Kickoff: The Tumultuous Birth of a Football Nation Review

This The Opening Kickoff: The Tumultuous Birth of a Football Nation book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The Opening Kickoff: The Tumultuous Birth of a Football Nation without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry The Opening Kickoff: The Tumultuous Birth of a Football Nation can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This The Opening Kickoff: The Tumultuous Birth of a Football Nation having great arrangement in word and layout, so you will not really feel uninterested in reading.
