Let Us Not Forget: A Tribute to America's 20th Century Veterans by Vurlee Toomey ISBN 0595238238

Over 70 authors and veterans share the sacrifices so many of America's veterans have made, in peacetime and in war, throughout the 20th century. You'll read about Duty, Honor, Courage - from the testing of a submarine, to the loss of the Space Shuttle Challenger, to the everyday sacrifice of men and women in uniform, whether serving during peace or war. You'll walk bloodied beaches, soar over enemy turf, pray, crawl in and out of caves, tend the wounded, shoot and be shot at, feel your heart race with fright as flak comes at you from every direction...walk the deck...hit the deck...feel the heat as fire dances across the deck, into the cockpit and into the foxhole you occupy. Your heart will constrict as the man in front of you takes the bullet meant for you. You'll know the painful bite of shrapnel, the gnawing ache hunger brings and red-hot anger as a comrade

falls. But most of all, you'll experience total, unabridged fear as you watch the enemy advance through the eyes of the author, and a swelling of pride as you meet America's veterans.
