Worth the Risk (The McKinney Brothers, Book 2) by Claudia Connor ISBN B00L6YJ6AE

**For readers of Bella Andre, *New York Times* bestselling author Claudia Connor follows up her heartfelt debut, *Worth the Fall*, with a novel about Matt's brother, Stephen. When a McKinney brother falls in love, powerful emotion and overwhelming desire are never far behind.**

*Two hearts locked away . . .* Hannah Walker spends her days coaching children through injury and trauma, one therapeutic horseback ride at a time. She knows all too well how violence can change a child and leave scars that never heal. It's easy for her to relate to the kids; what isn't easy is the thought of facing her own harrowing past.

Millionaire playboy Stephen McKinney could use a little coaching himself. Five years ago he encountered his most horrible nightmare—and the nightmare won. No matter what he achieves, nothing can make up for that awful night . . . or so he believes.

*Both desperate for a second chance . . .* Stephen is used to getting what he wants. And he wants Hannah. So when she turns him down, he's intrigued. What he doesn't know is that her secrets will lead him to a place he never wanted to go again . . . to a side of himself he's tried to forget . . . a side that would scare Hannah away from ever loving him. Now his only chance to win her trust is to bare his soul, risking everything he tried so hard to protect.
