Paul the Apostle of Jesus Christ: His Life and Works, His Epistles and Teachings by Ferdinand Christian Baur ISBN 1565638999

In 1845, F. C. Baur published Paul the Apostle of Jesus Christ, in which he presented his theory of two rival missions in the first-century church. So began a debate concerning the nature of Paul's relationship to the Jerusalem apostles that continues today. With this reprint of the English translation, Baur's two-volume classic is once again available, now bound together in one book.
