Sexual/Textual Politics: Feminist Literary Theory by Toril Moi ISBN 0415280125

What are the political implications of a feminist critical practice? How do the problems of the literary text relate to the priorities and perspectives of feminist politics as a whole?

Sexual/Textual Politics addresses these fundamental questions and examines the strengths and limitations of the two main strands in feminist criticism, the Anglo-American and the French, paying particular attention to the works of Cixous, Irigaray and Kristeva. In the years since publication this book has rightly attained the status of a classic. Written for readers with little knowledge of the subject, *Sexual/Textual Politics* nevertheless makes its own intervention into key debates, arguing provocatively for a committedly political and theoretical criticism as against merely textual or apolitical approaches.

With a new afterword in this edition, *Sexual/Textual Politics* is a must-read for all those interested

in feminist literary theory.
