His Grandson's Tales to Beelzebub by G. David Thayer ISBN 0966390938

A young man is thrown out of his home with nothing but his wits to guide him. At first despairing, he soon discovers that a strange path seems to have been orchestrated for him, a path leading him to some truly bizarre experiences. A train that travels through time, a trip through imploding universes, an anthropomorphic robot, a peyote-eating companion, and an identity-swapping lover who guides him on a tantric journey into the unknown.

Finally he arrives at a transcendent reality that negates everything he has ever known. And so can you. This is a truly dangerous book. It can change your life forever.
