The Pirates! In an Adventure with Napoleon: A Novel by Gideon Defoe ISBN 0375423982

The Pirate Captain and his merry band of ne'er-do-wells face off against their toughest—but by no means their tallest—challenge yet.

Crushed with disappointment at the Pirate of the Year Awards, our Pirate Captain decides that it's time for a career change. And so with his loyal (if soon-to-be-dismayed) crew, he sets off for St. Helena, a bleak speck of an Atlantic island a thousand miles from anywhere. But the Captain's plan for a quiet island life of beekeeping (yes, beekeeping) is interrupted by the arrival of a new "visitor" to the island—the recently deposed Napoleon Bonaparte. Will the island's twenty-eight-mile circumference be big enough to contain two of history's greatest egos? Has the Pirate Captain finally met his match? And, lest we forget the most important question: which of them has the best

hat?

The Pirates! In an Adventure with Napoleon is a swashbuckling tale of lavish tea parties, planning regulations, educational museum exhibits, and naked political ambition. And—unlike all of its thrilling predecessors—there is not much ham involved.

The Pirates! In an Adventure with Napoleon: A Novel Review

This The Pirates! In an Adventure with Napoleon: A Novel book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
